Encourage  
one another  
and build up  
each other....

I Thessalonians 5:11, NRSV

## Pastor's Column

**God's Plan for Sharing (GPS)** is a Bible-based strategy outlining the steps that any church must take to reach people for Jesus Christ. There are Four Biblical Mileposts in God's Plan:

1. **Praying-** Every church praying for lost people
2. **Engaging-** Every believer sharing as a trained witness
3. **Sowing-** Every lost person receiving a witness
4. **Harvesting-** Every church harvesting and celebrating every salvation response

We can carry out God's Plan for Sharing at Shiloh by praying for the unsaved people that we know, participating in witness training classes, and by seizing opportunities to share the plan of salvation with those who need to be saved. We can make an eternal difference in many lives as we sow the seed of God's word in their hearts. "You are the light of the world." Matthew 5: 14.

In His Service,  
Pastor Wells
