

Pastor's Column

"In his book, *The Secret of Christian Joy*, Vance Havner writes: 'The greatest need of America is an old-fashioned, heaven-born, God-sent revival. Throughout the history of the church, when clouds have hung the lowest, when sin seemed blackest and faith has been weakest, there have always been a faithful few who have not sold out to the devil nor bowed the knee to Baal, who have feared the Lord and thought upon his Name and have not forsaken the assembling of themselves together. These have besought the Lord to revive his work in the midst of the years, and in the midst of the fears and tears, and in wrath to remember mercy. God has always answered such supplication, filling each heart with his love, rekindling each soul with fire from above.'"

God has answered the prayers of His people in the past. He will answer our prayers today. Ask God to send a great revival in Shiloh Baptist Church this week. Come to our Spring Revival services expecting a blessing.

God's grace be with you,
Pastor Wells
