

Pastor's Column

I want to make you aware of a need in our church. During the first seven months of this year we have fallen significantly behind in our church budget offerings. The economy is not strong. Many of our members have been away on vacations this summer, and our church budget offerings have been lower than usual. As a result, our general fund balance at the end of July was only \$60.34.

We need your prayers for our church financial situation. Can I count on you to pray for our church that God will provide for our needs? I ask you to pray about a special offering, in addition to your tithes to help meet our needs. When you have prayed, I simply ask you to do what He leads you to do. Remember that our tithes and offerings support the mission and ministry of Shiloh Baptist Church. As we give we are doing our part to reach the world for Jesus' sake.

May the Lord bless you and keep you!

Pastor Wells
